Description

**Objective:** The present CA aims at developing the objectives of the INCO-Net MPC action, as described in the Call for proposal, by, among others,  
 - creating a dialogue platform using the state of the art of the ICT technologies, which will enable the discussion between relevant stakeholders from both sides of the Mediterranean to improve the S&T cooperation by, among other means, connecting and facilitating the interaction between the dispersed S&T cooperation initiatives already existing supported by the Member States, the European Commission and other political bodies;  
 - addressing training activities to improve the quality of the participation and management of the partners of FP7 from the MPC;  
 - creating discussion platforms and organizing meetings to monitor and discuss the content of the Thematic priorities of FP7 in term of the common interest of the EU and MPC;  
 - creating an Observatory of the EU-MPC S&T cooperation, which will agree indicators for the monitoring of RTD cooperation activities
